Dear Friends and Families,

Thank you for joining us at the Centennial Lane PTA's Spring Fair and Silent Auction. By attending this event, you are showing your support for the CLES PTA and each of the exceptional children who attend Centennial Lane Elementary School.

For the ninth year in a row, the CLES PTA is putting the FUN back in fundraising. Our goal has been to raise money in a way that brings our CLES families and the local community together for a day of FUN! This year we have put together an undeniably fun filled TWO-day event. That's right, TWO days. In addition to our Friday night auction preview, we have hired a DJ to entertain your children so you can stroll through the auction and pick out your favorite items. The FUN continues on Saturday, with the Spring Fair and Silent Auction. We have added more games, new rides and more inflatables, plus we have various performers from the local community as well as a stilt walker and balloon twister strolling through the fair.

In preparation for this day, many parents have volunteered their time and resources. CLES Staff has enthusiastically come up with creative, original and fun ways to contribute to the auction. Companies in our community have donated wonderful items, services and gift certificates. CLES families and the children themselves have generously contributed to the Team Raffle Baskets and sponsored the various game booths. It is a truly amazing day!

Please take a moment to read through this catalog and become familiar with the items available in both the silent and live auctions as well as the raffle. You will find a wonderful selection of exciting auction items, as well as the unique opportunity to purchase memory-making experiences that will be treasured forever.

Our Spring Fair is good old-fashioned family and community fun and a great way for families to come together to support the PTA's efforts to enhance the lives of the CLES community. The thrill of a great day spent with friends and family is PRICELESS! Again, we thank you for your support. Please enjoy your day at the FAIR!

Sincerely,

Andrea Stremmel
CLES PTA President
