My child would like to remain anonymous

If checked, your child's name will not be displayed alongside any artwork. If your child's written work is selected to be read on open mic night, they can choose to remain anonymous and have it read by another student, or choose not to have it read at all.

Key Dates:

January 14, 2019	Community Conversations all week focused on "What makes me special"
February 8, 2019	All work must be submitted to student's teacher
February 14, 2019	Artwork put on display during parent/teacher conferences
February 27, 2019	Open Mic Night at CLES!

Please Note:

Students can feel free to share whatever they like that makes them special. It can be about their culture, religion, ethnicity, their upbringing, family dynamics, a physical challenge, a learning challenge, or anything else that helps shape who they are. We hope this is an opportunity for students to explore something about themselves! If you have any questions or would like to discuss some ideas, feel free to reach out to any of us on the committee!
