

Design-a-Star -1st grade Yearbook Cover Mosaic

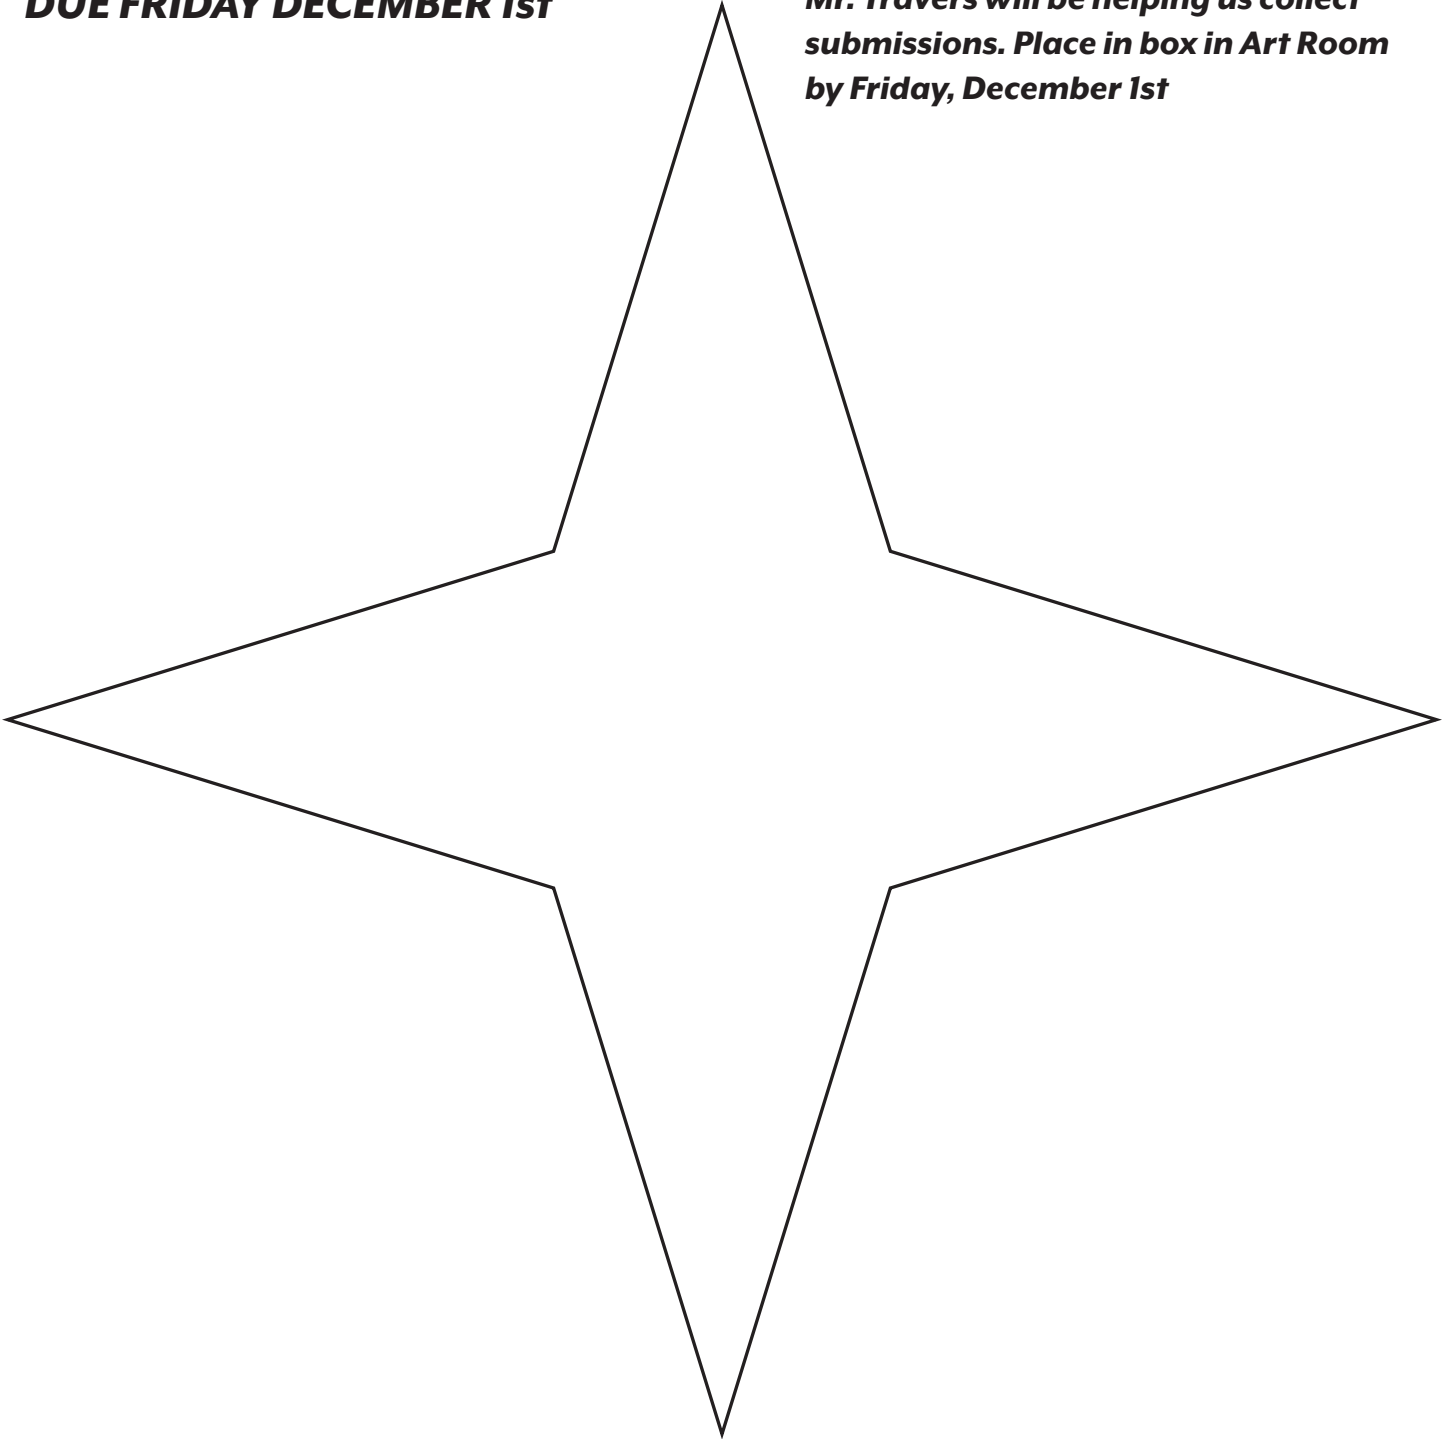

The yearbook is brought to you by the CLES PTA

Please use crayons, colored pencils, or markers to decorate your STAR. Please do not use glue, glitter or stick any thing onto this paper. Only art INSIDE the star will appear on the cover. Stars will be reduced in size, in order to fit as many as we can on the page, so **go BIG and BOLD** with your shapes and colors!

1st grade, use the colors Green and Blue

DUE FRIDAY DECEMBER 1st

Mr. Travers will be helping us collect submissions. Place in box in Art Room by Friday, December 1st
